Dear

Many members of the faculty have asked the Task Force questions about its progress and its intentions. We have come to the realization that we are faced with some basic problems which must be resolved. Among these problems are the absence of participation by black students; and by other students; the resignation of some of our members; questions about the charge to us by the faculty; and the relationship of the Trustees' statement to that charge.

We would like to talk with you and other faculty members about these problems this weekend. We plan to request a faculty meeting next week to clarify the situation.

We invite you to come to a meeting in the faculty lounge this Friday, from 3 - 5 p.m..

Cordially,

Louis Brakeman
for the Task Force
