This Letter is brought to you for free and open access by the Black Studies at Denison Digital Commons. It has been accepted for inclusion in Writing Our Story by an authorized administrator of Denison Digital Commons.

Dear Members of the Faculty and Administration,

Concerned students circulated the following petition among the student body in support of the demands of the Black Student Union (BSU).

"Realizing the necessity of a diverse community which is meaningful to all its members, we the undersigned members of the white community at Denison University feel that it is imperative that the trustees and administration of this University make a total and positive commitment to all the demands of the Black Student Union at this institution.
