Professor of History, Denison University

From: Edie Van Horn, class of '41

Dear Margot:

I knew that was your voice on the tape! Thank you for those kind words. To say, I was overwhelmed is an understatement! How I wish I could have been there and I'll always remember -- it was you that made it all possible.

Shirley and I will be in Northern Michigan for all of December and most of January. My bequeath by trust to the Denison Women's Program will be coming in pieces...I need to keep most of it on hand until I finish my book -- On Company Time. I will ship some of it to you and Mary as soon as possible. You will be getting the entire proceedings of the Houston IWY Conference and an entire taped conference entitled "The Sexual Liberals and the Attack on Feminism" produced by "Women Against Pornography" April 4, 1987...by early next year.

Please extend my congratulations to Mary Schilling and thank you for the flyer from "Lifeline". You and friend would be most welcome to visit us! Empire is right on Lake Michigan---loads of good skiing and our "lake house" is on the beach. You can reach us -- P.O. Box 224, Empire, Michigan 49630...616-3265256. We may go where it's warm for a few days so give us plenty of notice if a visit is possible. Have a good rest over the holidays!

And again, my thanks to you!

with love,

Edie Van Horn
