This Front Matter is brought to you for free and open access by the Classical Studies at Denison Digital Commons. It has been accepted for inclusion in Ephemeris by an authorized editor of Denison Digital Commons.

Ephemeris

Editors' Note:

Ephemeris, the Classical Journal of Denison University, seeks to offer an opportunity for those interested in Classical studies to publish their scholarly work in an undergraduate forum. It promotes the coming together of history, literature, philosophy, religion, art, and architecture in a way that is both analytical and creative. As is an objective of the Classical Studies department, Ephemeris fosters an attitude about and an appreciation for criticism and interpretation of the Classical civilizations.

~Co-Editors-in-Chief Melanie Vanderkolk and Betsy Prueter
