Young Ladies' Institute.

LOCATION.

The Institute is in the center of the State, midway between Columbus and Zanesville, in one of the most beautiful and healthy regions of the West. The country is beautifully diversified with hill and valley. The town is in a valley surrounded by hills, presenting one of the loveliest pictures in nature. It is six miles from Newark, and three miles from Union Station, on the Baltimore and Ohio Railroad. The Ohio Central will pass through the village.

BUILDINGS.

The buildings are sufficient to accommodate the family of the President, the Teachers, and sixty boarding pupils, with all necessary recitation, apparatus, music, and painting rooms. They are surrounded by ample and beautiful grounds, and furnish a delightful home for the inmates of the School.

The buildings have been enlarged to meet the pressing demands for more room. Still we are limited to a given number. Excellent facilities for self-boarding can be secured in Kyle's building.

APPARATUS.

The School is provided with apparatus for illustrating the most important facts in Natural Science, and new articles will be added to meet the necessities of classes.

MUSICAL DEPARTMENT.

The Musical Department is furnished with six good Pianos and with two excellent Cabinet Organs. The best instruction given, and its success full of encouragement.

PAINTING DEPARTMENT.

A large and valuable stock of new patterns has just been received for this department. Unusual facilities are afforded for those who wish to study this branch of the Fine Arts. A first-class Artist has well filled this department for eleven years. The work done is very superior.

LITERARY SOCIETIES.

There are two flourishing societies, the Euterpean and Philoma-

thean, which meet Friday evening of each week, and are doing much to stimulate and cultivate a literary spirit.

They each have a pleasant hall, neatly and tastefully furnished, also good libraries, to which accessions are constantly being made.

ADMISSIONS.

Pupils will be received at any time and assigned places in classes for which they are prepared. It is very desirable, however, that they should enter at the beginning of the term and continue to the end. A few days' board and tuition are not to be compared with the derangement of classes or the unsuccessful pursuit of studies, under the disadvantage of having passed superficially over elementary principles.

DIPLOMAS.

Will be awarded to such as have completed their regular course, and also to those who complete the English course, each indicating the course pursued.

Graduates will be required to have a standing of at least eighty per cent, in the studies of their courses.

All classes will be examined in each study before laying it down. Examinations will occur at the close of each term. To all of these the public are cordially invited.

GOVERNMENT.

It is the decided purpose of the Faculty to make good scholars and practical women. It is intended to make the pupils feel that they have a reputation to preserve and characters to make; and the government will be in keeping with the dictates of common sense and Christian principle.

No pains will be spared to make the pupils happy and comfortable, and such a course will be pursued as will tend to secure cheerful and honest obedience from all.

Teachers and pupils sit at the same table, worship around the same altar, and mingle in friendly intercourse during the hours of recess from school duties.

In all their associations with the members of the school, the teachers aim, by direct instruction and personal counsel, to enforce upon the conscience and heart the doctrines and precepts of the Scriptures, as the only rule of life and safe guide to happiness.

Thorough preparation for every lesson, strict observance of study hours, promptness at recitations and at Chapel, and regular attendance at church on the Sabbath will be required of all.

GENERAL REGULATIONS.

1. No pupil will be received, except by special arrangement at the time of entering, for less than a term or the remainder of the term in

which she enters, and no deduction will be made for absence, except from protracted sickness, in which case the loss will be equally shared with the patron.

2. Students from abroad will be expected to board in the Seminary, unless special arrangements are made with the President. Many evils are liable to arise from the choice of surroundings by the pupil, or by parents who are strangers to the influences to which the pupil will be exposed. The President must have the right to decide so important a matter. Experience shows the necessity for safe and careful supervision.

3. Most of our rooms are arranged in suits; one sitting-room and two bed chambers to be occupied by four young ladies. In the new apartments single rooms can be furnished for two. Pupils are expected to keep their own rooms in order, and are held responsible for damage to either room or furniture. Bed rooms are furnished with spring-beds and mattresses. No feather-beds are used. Pillows 20 by 28 inches. As the rooms have been recently carpeted and supplied with new modern furniture, all washing of small articles in them is strictly forbidden. Individuals occupying a single room will be charged a dollar per week extra.

4. It is very desirable that pupils should be provided with all needful clothing for the term to prevent interruption of study. It is especially desirable that the dress of the students shall be simple and inexpensive. Simplicity saves time, thought, and money, needed by scholars for higher uses. For this reason we desire that the outfit be plain but complete, so as to avoid frequent purchases during term time.

5. All articles for clothing and bedding must be distinctly marked with the owner's name in full. Each young lady must furnish her own napkins and napkin ring, towels, one pair of sheets, one pair of pillow-cases, and a comfort and blankets, so that two room-mates may together furnish all needful bed-clothing. Each one must be supplied with thick shoes, overshoes, umbrella, and water-proof cloak. Students furnish their own coal oil lamps, and may provide window drapery, table spreads, etc.

6. Parents are earnestly requested not to send boxes of cake and sweet-meats to their daughters, as they are generally eaten just before retiring, and invariably cause sickness, and often serious interruption in study. Parents are also requested not to furnish their daughters with too much spending money; a small amount deposited with the President, to be given out at his discretion, will be preferable.

7. Pupils are not allowed to make or receive visits on the Sabbath. The parlor is open to callers on Saturday afternoon, from three to half-past four o'clock. Visitors are requested to refrain from calling, except

at the designated hours. Persons from a distance, calling upon pupils will please send their names and requests to the President.

SPECIAL ADVANTAGES.

It has had an honorable history for nearly fifty years. Its President was the successor of Dr. Ray, and presided over the celebrated Woodward School, in Cincinnati, seven years, and, was for the same period, President of the Board of Examiners and Inspectors, of which Board he was a member sixteen years. Mrs. Shepardson, the Matron, a native and former teacher of Cincinnati, is well known for her many accomplishments and thorough scholarship. Miss Brooks, the Lady Principal, a graduate of one of the Normal Schools of Massachusetts, has no superior in her department. For the last twelve years she has been constantly gaining influence and reputation as a ripe scholar, an able teacher, and a spiritual, earnest Christian. No woman in the West is doing a better, truer and nobler work. Miss Anderson has been even longer connected with the Institute, where as a scholar in all departments she distinguished herself, and after her graduation easily took her position as a teacher in the school. This position she has honored for eleven years. Her knowledge of Latin, Greek and German is well appreciated. The younger teachers have been carefully chosen, and are progressive and faithful. The Music Department is ably conducted by Miss Mary E. Shepardson a pupil of the New England Conservatory of Music of Boston. No Department has risen more rapidly than the Painting. The genius, perseverance and fidelity of Mrs. Hattie Partridge Davies have so triumphed over all obstacles that this Department, in eleven years, has more than doubled, both in quantity and quality of its work.

To the above advantages must be added a beautiful and healthy location, a religious, solid, intelligent, community, and the stimulating influences of other schools, especially of Denison University. But our chief distinction is the spiritual power God sheds upon us. This helps to make the school safe, desirable and efficient—binds its pupils together, collects and keeps an unusual amount of talent, crowds its halls, and constantly extends its influence and usefulness. Nearly all its graduates are earnest Christians.

THE OHIO BAPTIST WOMAN'S EDUCATIONAL SOCIETY.

THE OHIO BAPTIST WOMAN'S EDUCATIONAL SOCIETY aids worthy young women who are studying to become Missionaries either at home or abroad. During the last ten years it has rendered assistance to the amount of about ten thousand dollars. It is, also, seeking means for the permanent endowment of "The Institute." A new building is much needed to supply more rooms. Ten additional rooms have just been rented. These, however, will not meet the necessities of our increasing numbers.

ERRATUM.—Miss NETTIE OGDEN'S name should have been inserted as one of the Seniors, on Page 6.
