

Purple, Green and Blue

Alex Curran-Cardarelli

I've kissed men I never wanted to kiss
26,000 unreported sexual assaults in the military
For fear of being called a fucking bitch
-only 238 convictions
Most of the time there wasn't any lust—
What did these geniuses expect...
Still I'm known as a dirty freshman slut
When they put men & women together?

Because I didn't want to be a bitch
And the girls—
I let one of them bruise my so-called "tits"
We're supposed to call them women
And still known as a dirty freshman slut
But they're girls to me
I wrapped my chest with ice— never discussed
Grab them by the pussy

I let one of them bruise my so-called "tits"
It must be a pretty picture
Because my approval had been dismissed
You dropping to your knees
I cried as I wrapped my small chest in ice—
A person who is flat-chested
For four or so days the bandage sufficed
Is very hard to be a 10

Because my approval had been dismissed
I just kiss, I don't even wait
I couldn't stop the scratching on my hips
And when you're a star
For four or so days the bandage sufficed
You can do whatever you want
It was excused as his natural vice
You have to treat them like shit
