the-r-apist

the the-r-apist exposed
himself toward northern flights
of anima and deity
of rage and refuge
in tents primordial gratification
,for himself at least,
none of this (is) affecting
his position
poised and posied on the constellations
mimickers and repossessors of tragedies
blamed posthumously heroic by blushing
blue-balled and green-billed posterity
mass seeking
spiel wanting
fist fucking
eye fleeting
amorphous blob of mistrust
no one else helping you
so clapping toward the clinic
so sweating toward the vinyl recliner
you prepare yourself
for the butterfingering
spreading of your cortical lips
with penis (envy) inserted
,by hording disciples of envied guru envier,
and with id-entity de/re/ex/tracted
you turn to normal(ly) see
rapturous and graded society
