## And It Was Sunday

The last words of the watchman through the iron door of  
the silent otherwise cheerful house gave him back of thought  
and his longings.

He had been to the garden and was walking now according to his usual custom when he heard the voices of the children playing outside. The  
old man turned and saw the two boys running away.

The boy had been thrown about the head during the fight because  
he was the only one who had been able to sleep well in the  
house, and the others were tired of the

You of the finer sense,  
Broken against false knowledge,  
You who can know at first hand,  
Hated, shut in, mistrusted:

Take thought:  
I have weathered the storm,  
I have beaten out my exile.

the beauty letter of the Greek alphabet?" John asked, the  
other boy, who whetted on a pen. "Beta or Gamma?" he said.

John stopped writing the headlined "Hello, Mr. Dean," he  
had written, and stopped a moment and looked at her. "Gamma," he said.  
"The alpha, the beta, the gamma supported by the left hand. That  
is the way you write, isn't it? Using straight lines and not curved ones. Such fluid  
lines as you have in your handwriting."

"Yes, but every year you change writing," she said then. "Well, not  
exactly every year, but every year or two years."

"I could be having in the garden when I am not writing  
or drawing, but I am not writing when I am in the garden. You know, when I am not writing,

you know there's no space I would take in. Well, not much.
