## HI, MY NAME IS

Peel off, stick-on labels,  
magic-markered identities.  
I want to tear off pieces of your skin,  
Scrape away samples from behind your flesh,  
Roll and pat your heart in my hands  
like wet clay,  
Rub fiercely against your legs  
as your cat, when hungry or --  
simply acting as one animal  
would  
naturally  
to another.
